Plato Gold Corp. (TSX VENTURE:PGC) ("Plato") is pleased to announce it has retained the services of AGORACOM Investor Relations ("AGORACOM") (<http://www.agoracom.com>) to provide online investor relations services, a Web 2.0 social network for current shareholders and Tier-1 awareness through the world's biggest websites for the purpose of attracting new shareholders.

ONLINE INVESTOR RELATIONS MAXIMIZES SPEED, TRANSPARENCY AND ACCESS TO COMPANY

In response to overwhelming data representing the online research and communications habits of small-cap investors, Plato Gold has turned the primary focus of its investor relations to the web via the AGORACOM system to facilitate faster, better and more accessible communications with both current and prospective shareholders around the world.

Effective immediately, a customized and monitored Plato Gold IR HUB (<http://www.agoracom.com/ir/platogold>) will allow both the Company and AGORACOM to communicate with all investors simultaneously, anytime and in near real-time. Our new IR HUB will also provide management with an ability to extend communications beyond text via audio messages, video presentations, webcasts and podcasts. In addition to traditional e-mail, investors will also have the ability to receive all communications via RSS feed.

LAUNCH OF PLATO GOLD COMMUNITY

The Plato Gold IR HUB propels the Company into the forefront of Web 2.0 community building by providing investors with two very important functions. First, a monitored discussion forum for the purposes of constructive and high-quality discussion amongst investors that is free of spam, profanity and misinformation. Second, a social network that provides investors with the ability to create extensive profiles that include photos, bios, video messages to fellow investors, a rating system and other important items to create a closer bond between our shareholders.

TIER-1 EXPOSURE AND AWARENESS

As an exclusive provider of "Small-Cap Centres – Powered by AGORACOM" to Yahoo Finance Canada, AOL Finance Canada and every Blackberry device on the planet, AGORACOM will provide Tier-1 financial coverage of all newsworthy Plato Gold press releases for the purposes of attracting new and prospective shareholders

Plato Gold President and CEO, Anthony Cohen stated, "I believe the time has now come to significantly increase our communications with both existing shareholders and the massive online small-cap community of investors that are searching for their next great investment. I strongly encourage our shareholders to begin taking advantage of our new online IR system, which demonstrates we are a fully accessible organization with a great story to tell."

For all future Plato Gold investor relations needs, investors are asked to visit our IR Hub at <http://www.agoracom.com/IR/platogold> where they can post questions and receive answers within the same day, or simply review questions and answers posted by other investors.
