The proceeds from the private placement of flow-through shares will be used by Plato for exploration work on its properties in the Val d’Or area in Quebec. Mr. Anthony Cohen, President and CEO of Plato, stated “Plato is pleased to continue exploration work in the Val d’Or region of Quebec. With the generous exploration programs from the Quebec government, it’s a strategic advantage for junior exploration companies to continue our work in the province.”

“In addition, we entered into our first non-brokered flow-through private placement with Canadian Small Cap Resource Funds (CSCRF) a wholly-owned subsidiary of NovaDx Ventures Corp. for aggregate proceeds of \$250,000. We are encouraged by the tremendous support from the financial community and we are committed to our Canadian projects and working to reach new milestones in our corporate growth,” said Anthony Cohen.
